

APPLICATION FOR A GRANT, DONATION OR CHARITABLE CONTRIBUTION FROM BRITANNIA PHARMACEUTICALS LTD

- Please note Britannia Pharmaceuticals will only consider providing a grant or donation to a bone fide healthcare organisation
- Any persons requesting funding on behalf of a Healthcare Organisation (HCO) should have prior permission and be able to respond to any further requests for information
- Requests from Healthcare Professionals (HCP) to fund attendance to a medical or scientific congress will be considered. Please note that only contributions towards membership rate registration fees, necessary travel and appropriate accommodation will be considered
- Please be aware that requests can take between 6-8 weeks to be processed and funding decisions made
- Due to a limited budget in some cases only partial funding will be granted

Total Amount Requested

£

I confirm that this form has been completed independently and without any input or influence from a Britannia Pharmaceuticals Ltd employee

Yes No *(please give further details)*

ABPI Code of Practice Public Disclosure of HCO/HCP Transfers of Value (ToV)

Britannia has made a commitment to adhere to the ABPI Code of Practice, a requirement of which is to disclose certain ToV made to HCOs and individual HCPs. Any successful funding will be subject to these public disclosure obligations. Further details will be made available to you in successful applicant letters.

Please return this form to grantsanddonations@britannia-pharm.com along with any other supporting documentation and a full breakdown of costs associated with your request. Your request will then be considered and you will receive a communication from us as soon as a decision has been made.

Definitions as defined by the ABPI Code of Practice

Healthcare Organisation – Either a healthcare, medical or scientific association or organisation such as a hospital, clinic, foundation, university or other teaching institution or learned society whose business address, place of incorporation or primary place of operation is in Europe or an organisation through which one or more health professionals or other relevant decision makers provide services.

Healthcare Professional – Members of the medical, dental, pharmacy and nursing professionals and any other persons who in the course of their professional activities may administer, prescribe, purchase, recommend or supply a medicine.
