

COVID-19 Office Risk Assessment – Britannia Pharmaceuticals

Date: 22<sup>nd</sup> February 2022

Area	Comments	Recommendations	Do you need to do anything else to control this risk?	Action by Who?	Action by When	Status
<b>Workers</b>						
Workers Sickness and Self Isolation	COVID-19 Special Provisions Policy to be followed	Any workers feeling sick or unwell with possible COVID-19 symptoms must not come to the office and must follow the COVID-19 Special Provisions Policy. This Policy has been made available to all workers and is also on BritNet.	N/A	All workers	With immediate effect	In-progress
High Risk Employees	High Risk employees have been identified following an employee survey (04/05/2020)	All high risk employees that have been identified, will continue to work with appropriate provisions. This will be regularly reviewed with the individual, their line manager and HR.	N/A	HR Team and Line Managers	With immediate effect	Ongoing
Public Transport	N/A	All employees who currently come to work using public transport will be advised, as per Government guidelines. Consideration will be taken into account in regards to service availability and health and safety measures.	N/A	HR & Line Managers	With immediate effect	Complete
Childcare Provision	N/A	For those employees who have child care provision responsibilities, please refer to the COVID-19 Special Provisions Policy. Managers will be discussing these measures directly with the employees impacted.	N/A	Line Managers	With immediate effect	Complete
Field Teams	N/A	Separate risk assessments will be carried out for Britannia's field teams, (Nurse and KAMs). Please note this risk assessment will apply if any of the field staff visit the office.	N/A	Facilities Team & Line Managers of field teams	Jun-20	Complete
Office Capacity		Social distancing will be observed as per the Government guidelines.	N/A	All workers	With immediate effect	On-going
First Aiders and Fire Wardens	N/A	Appropriate level of fire wardens and first aiders in the office every day.	N/A	HR and Facilities Team	With immediate effect	On-going
<b>PPE</b>						
Staff PPE - Facial Masks	Staff will be provided with appropriate face masks. There is a limit per person	Facial masks will not be mandated in the office due to the measures already identified and in place.  Used PPE must be disposed of in the Clinical waste bin. An additional bin has now been placed in the disabled bathroom just	Signage will be placed on disabled toilet advising of clinical bin location.	Facilities Team	With immediate effect	Complete
